

URPP Financial Market Regulation

49th Forum Financial Market Regulation of 5 February 2019

A Tale of Two Financial Safety Nets: The Euro Area and Switzerland

Amid uncertainty over Brexit and Swiss-EU relations, and ten years after the global financial crisis, this presentation will compare and discuss the financial safety nets in the euro area and Switzerland. The presentation will cover arrangements for early intervention in and liquidity support to failing banks, bank resolution including liquidation, deposit insurance, and, more generally, financial crisis management. The presenters will address challenges in the design and operationalization of said arrangements. The event will include a Q&A session.
